UNSTARRED QUESTION NO:726
ANSWERED ON:26.02.2001
COMPLETION OF DAMS
M.A. KHARABELA SWAIN

Will the Minister of WATER RESOURCES be pleased to state:

(a) whether the Government have formulated any plan for the early completion of incomplete dams;

(b) if so, the details thereof, dam-wise;

(c) the progress made so far in the construction of dams on river Subernarekha at Chandil and Galudihi in Jharkhand;and

(d) the time schedule fixed to complete these dams?

Answer

THE MINISTER OF STATE IN THE MINISTRY OF WATER RESOURCES (SMT. BIJOYA CHAKRAVARTY)

(a) Completion of a large number of irrigation and multipurpose schemes has got delayed due to various reasons the most important of them being the paucity of funds with the State Governments. Keeping this in viewCentral Governmentlaunched Accelerated Irrigation Benefit Programmes (AIBP) during 1996-97 to provide Central Loan Assistance (CLA) to States for their major/mediun irrigation projects with the objective to accelerate the implementation of the projects which are beyond the resource capability of the States or are in an advanced stage of completion.

(b) The details of dam-wise release of Central Loan Assistance is enclosed at Annexure-I.

(c) The progress of construction works of the Chandil Damand Baludhi barrage is 97% and 98% respectively (Except forthe installation of gates).

(d) Being a state subject, irrigation projects are planned, investigated, implemented and funded by the State Governments out of their own resources and as per their own priorities.
